Overview

GULF CRAFT AMBASSADOR 32 - The United Arab Emirates is home to one of the world's most prolific boat builders - Gulf Craft Inc. The company's Ambassador 32 is pleasing to the eye with a solid, elegant yet practical shape. It offers a large cabin for its length, and a wide practical cockpit.

Build

GULF CRAFT AMBASSADOR 32
Built by Gulf Craft, UAE, in 2008 to a 2009 model year

CONSTRUCTION
GRP hull, deck and superstructure
Teak to cockpit
White and blue hull

LOA: 9.88m
BEAM: 3.3m
DRAFT: 0.54m

Accommodation

SLEEPS FOUR GUESTS IN TWO CABINS

Saloon located to portside with a U shaped cream sofa surrounding a wooden adjustable table. Galley is located to starboard with a two burner electric hob, fridge a sink and storage drawers. The big windows and two sliding hatches on the roof allow for plenty of natural light.

The master cabin is located forward with a double bed with new mattress, a hanging locker and two smaller lockers, while two drawers under the bunk provide plenty of clothing storage space for an extended cruise. Shelves line each side of the forward section of the cabin. The attractive cherry wood finish is enhanced by daylight coming in through portholes and an oval skylight in the ceiling.

Heads located to starboard with toilet, sink and shower.

The guest cabin has a double bed that extends below the saloon floor. Headroom over the bunk is increased at the headboard by utilizing the space offered by the saloon seat above. Storage is provided by shelves over the head of the bed, two lockers in the forward bulkhead, and a bench seat.
